

Public Works Engineering Technician

The Village of Bellevue is one of greater Green Bay's fastest growing municipalities with a population of over 15,300 residents. The Village provides a full range of Public Works services to our residents and our growing community. The Village is seeking an experienced Engineering Technician to add to our team that is motivated to make Bellevue a "Great Place to Grow" and provide the highest quality of services to our residents, businesses and contractors working with the Village.

This full-time position reports to the Director of Public Works. For a complete list of position duties, responsibilities and requirements please see the Job Description available on the Village of Bellevue website.

Qualified applicants should possess at least five years of progressively responsible experience in engineering practices and/or public works inspection. Applicants with more limited experience or greater experience in other aspects of municipal public works services are encouraged to apply. Wage range of \$24.00-\$30.70 DOQ. The Village offers a competitive benefits package and participates in WRS.

To apply, please submit a cover letter, resume, references and wage history to employment@villageofbellevue.org or mail to Village of Bellevue, Attn: Human Resources, 2828 Allouez Ave, Green Bay, WI 54311.

Closing Date: Applications are requested by May 22, 2017.
